

Courses Taught by Dr. Kettemborough for University of Redlands

COBOL Programming Techniques	Mar-95
Database Concepts	Aug-95
COBOL Programming Techniques	Oct-95
Business Information Systems	Nov-95
COBOL Programming Techniques	Jan-96
Mathematics Tutorial	Mar-96
Database Concepts	Apr-96
Mathematics Tutorial	Jun-96
COBOL Programming Techniques	Jul-96
Business Information Systems	Aug-96
Business Information Systems	Sep-96
Mathematics Tutorial	Oct-96
Database Concepts	Jan-97
Introduction to Programming Techniques (VB)	Apr-97
Productivity with Information Systems Technology	Jul-97
Introduction to Programming Techniques (VB)	Jul-97
Database Concepts	Aug-97
Fundamentals of Structured Programming with C	Nov-97
Introduction to Computers and Information Systems	Jan-98
Introduction to Computers and Information Systems	Jan-98
Introduction to Programming Techniques (VB)	Jan-98
Fundamentals of Structured Programming with C	Feb-98
Productivity with Information Systems Technology	Feb-98
Fundamentals of Structured Programming with C	Apr-98
Fundamentals of Structured Programming with C	Jul-98
Information Systems for Managers	Jul-98
Project Practicum	Jul-98
Database Concepts	Aug-98
Information Systems Life-Cycle	Aug-98
Fundamentals of Structured Programming with C	Sep-98
Management and Decision Systems	Oct-98
Information Systems for Managers	Nov-98
Information Systems for Managers	Nov-98
Introduction to Programming Techniques (VB)	Dec-98
Business Information Systems	Dec-98
Database Concepts	Jan-99
Applied Software Development Project	Mar-99
Database Concepts	Apr-99
Systems Analysis and Design	Apr-99
Fundamentals of Structured Programming with C	Jun-99
Telecommunications and New Media	Jun-99
Information Systems Life Cycle	Jun-99
Data Management for Managers	Jul-99
Project Practicum	Jul-99
Applied Software Development Project	Aug-99
Applied Software Development Project	Oct-99
Applied Software Development Project	Nov-99
Systems Analysis and Design	Dec-99
Information Systems for Managers	Dec-99

Introduction to Programming Techniques (VB)	Jan-00
Introduction to Programming Techniques (VB)	Jan-00
Information Systems Life-Cycle	Jan-00
Applied Software Development Project	Feb-00
Data Management for Managers	Feb-00
Telecommunications and New Media	Apr-00
Applied Software Development Project	Apr-00
Fundamentals of Structured Programming with C	Jul-00
Database Concepts	Jul-00
Finite Mathematics II	Aug-00
Fundamentals of Structured Programming with C	Sep-00
Management and Decision Systems	Oct-00
Geographic Information Systems	Nov-00
Information Systems for Managers	Nov-00
Information Systems Life-Cycle	Jan-01
Fundamentals of Structured Programming with C	Feb-01
Database Concepts	Feb-01
Data Management for Managers	Feb-01
Introduction to Programming Techniques (VB)	Apr-01
Fundamentals of Structured Programming with C	Jun-01
Database Concepts	Jun-01

Total
